

PRESIDENTS MESSAGE RE ANZAC DAY.

The Commissioner of Police NSW Mr. Andrew Scipione, APM, has recently agreed to become Patron of the NSW Branch of the UNPAA.

In that regard he has sent letters to all serving members of the NSW Police who have served with UN Forces in East Timor and elsewhere , (along with some recently retired members), inviting them to join the NSW Police Contingent in the March on Anzac Day 2011.

Mr.Scipione will attend the March and inspect the NSW Police Contingent at 8.30am on the 25th of April.

Location: The Pitt Street Mall at the northern end of Pitt Street at the intersection of King Street. Following the march there will be a Police function for participants at the Masonic Club at the intersection of Goulburn Street and Pitt Street.

In that regard and in order to support the younger members of the UNPAA attending I would like to invite our retired members to attend as well to make the day a success.

Dress: Coat and tie or suit, Large Medals and Blue Beret

I will see you there!

**Regards
Denis Percy
National President**
